

CUBE COLLECTION

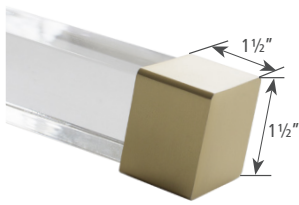

BRIMAR[®]

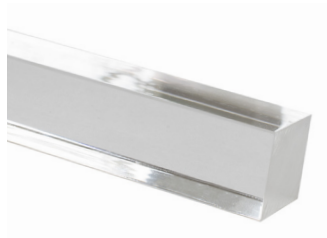

CUBE COLLECTION

Turn windows from drab to fab with glamorous square lucite hardware. It makes a statement through linear lines, translucent poles and metal accessories in your choice of three fabulous finishes. Poles are constructed of 35mm thick, heavy-gauge lucite providing a high end look and the durability needed to withstand heavy draperies and daily use.

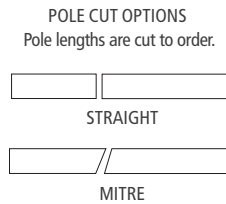

Rectangular rings are artful and draw the eye upward while drawing draperies effortlessly.
