

# Nolita

A modern drapery hardware collection offering luxurious style and value. Engineered for smooth performance, Nolita moves pleated drapery panels with ease. A dream combination of clear acrylic poles mixed with metal end caps, rings and wall brackets creates layered windows with minimalist flair. The 1-3/8" poles are available in 4' and 8' lengths with custom cut options.

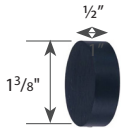

## FINISHES

Choice of 7 matte anodized metal finishes ranging from warm golds and cool silvers to bold black and blue.
